MEMORANDUM

TO: Buckingham Properties

RE: Many Thanks!

I wanted to send along a note to let you know how happy we are with the outcome of the space here at 465 Paul Rd. All of your staff have been a dream to work with and we are nothing but satisfied. I can't say enough for the professional manner in which Aaron Malbone completed this job. He was extremely attentive and was always available. Aaron accommodated every request that was brought to him and really wanted to work with us to ensure we were happy with the results. This whole process and even our move went smoothly and without many issues. I also would like to say that Ron has also been very helpful and has done some small tasks to help us out. We all at Lifetime Assistance, Inc. have nothing but great things to say about Buckingham Properties and wanted to share this with you. Thanks again and we look forward to working with you.
