July 13, 2011

Tasteful Additions, an olive oil and balsamic vinegar tasting store in Pittsford, has scheduled its grand opening for July 25.

The gourmet olive oil and balsamic vinegar retailer boasts fresh oils from around the world and encourages shoppers to sample any flavor they like. It also offers a variety of infused olive oils and flavored balsamic vinegars. In addition to food products, the store sells cookbooks and housewares.

Free tastings of various oils and vinegars, as well as a special gift giveaway, will be offered at the event. Pittsford Town Supervisor Bill Carpenter will be at the opening to participate in the ribbon cutting ceremony.

Tasteful Additions is located on Monroe Avenue in the Spring House Commons shopping center.
